ADVISORY

Due to the high demand for our spa services, please note the following:

- Maia Spa is open from 11 am to 7 pm daily and the last booking will start at 5:30 pm
- We kindly ask that guests pre-book spa treatments at least 48 hours in advance to avoid disappointment.
- Please arrive 10 minutes prior to your appointment time to complete our consultation procedures.
- In order to avoid any potential health issues, the combination of two strong treatments back-to-back is not permitted. If you wish to book two strong treatments on the same day, we advise a minimum rest period of four hours in order to allow your body to recover.
- Two sessions of the same treatment cannot be booked back-to-back. If you wish to have the same treatment twice, we can offer an 80-minute session instead (which will count as two treatments).
- A maximum of one treatment may be pre-booked per day.
- Guests are advised to arrive at Spa wearing the bathrobes provided in our villas and suites.
- Children under 16 years old are not permitted.

- Advance reservations are strongly recommended to ensure that a therapist and treatment room are available. We may not be able to fulfill your request if booked less than two hours in advance.
- Spa bookings are only accepted after check-in (starting from 2 pm) and must be completed by check-out (12 noon) on the day of departure.
- Extra treatments: **800,000 VND** (50") net & **400,000 VND** (30") net per person

No-Show Policy:

- In the event of a late arrival, our therapists must finish your session at the scheduled time as a courtesy to our other guests.
- 15 minutes after the scheduled appointment time, the session will automatically be canceled, with no entitlement to an additional treatment on the same day (or the next).
- Unfortunately, the exchange or transfer between guests of unused spa visits is not permitted.
